ART TRAIL WEEKEND

Welcome to the 2024 BOP Open Studios Art Trail weekend

Over three art-filled days, the Bay of Plenty's top artists warmly welcome you into their studios. Here you can meet the makers, explore their work, chat about their practice, learn what inspires them and purchase artwork directly from their studio. From Athenree to Pukehina there is so much to discover - painting, jewellery, pottery, sculpture and more. Art lovers, we promise you won't be disappointed by the quality and diversity of art that is on your doorstep!

Keep your eyes peeled for our flags!

Every art studio will have one of our brightly coloured flags outside, so you'll know you're in the right place.

Make the most of your visit

Here's some quick tips for making the most of the event:

- Grab a pen and mark your 'must see' artists.
- Plan your route and make sure you know if there's any traffic or roadworks to navigate.
- Park considerately at each studio.
- Check out nearby cafes and restaurants for a spot of lunch or a refreshing beverage.
- Follow your favourite artists on social media or sign up to their emails, so you can get a good feel for what to expect.
- Follow us @bopopenstudios on Facebook or Instagram so you don't miss any great offers or announcements related to the event.
- Pack a raincoat - just in case!
